

FIRE DRILL

AT SCHOOL WE HAVE FIRE DRILLS

WHEN THERE IS A FIRE, THE FIRE ALARM GOES OFF.

THE ALARM IS VERY LOUD SO EVERYONE CAN HEAR IT.

I CAN COVER MY EARS OR USE EARPHONES IF IT IS TOO LOUD.

I WALK OUTSIDE WITH MY CLASSMATES AND TEACHER.

WE ALL WAIT IN OUR SPOT AT THE TRACK OR GRASS FOR SAFETY.

I CAN USE SENSORY TOYS, TALK TO FRIENDS, ASK FOR A BREAK.

A FIREMAN MIGHT CHECK ALL THE CLASSROOMS FOR SAFETY.

ONCE IT IS SAFE TO GO BACK INSIDE, THE SCHOOL BELL WILL RING.

I WILL WALK BACK TO THE CLASSROOM WITH MY TEACHER AND CLASSMATES.

PRACTICING A FIRE DRILL WILL KEEP US SAFE.

Acuity Behavior Solutions
