

GOING ON LONG CAR RIDES

First, we get ready by packing our bags and hopping into the car.

Safety first! We buckle up our seat belts to stay safe and comfy during the ride.

Let's bring our favorite things! Toys, books, or games make the ride extra enjoyable.

We can look out the window, play games, or listen to music. There are lots of fun things to do!

Sometimes we stop for breaks. It's nice to stretch our legs and take a little rest.

We might be in the car for a while, but we can be patient. It helps us reach our destination!

We can play fun games like 'I Spy' or 'License Plate Bingo.' It makes the ride more exciting and fun!

Don't forget snacks and drinks! Bringing our favorite snacks keeps us happy and full during the trip.

Yay, we made it! Our long trip was a success. Time for new adventures at our destination!
