

IT'S OK NOT TO WIN

**I like to play games
with my friends**

**Sometimes, I win, and
that makes me happy!**

**Sometimes, I don't win, and
it's my friend's turn to shine.**

**I might feel a bit
down or frustrated,
but that's perfectly
fine**

**I can always say:
"I'll win next time!"**

**I don't cry, complain, or
resort to aggression with
my friends. Instead, I say,
"Nice job on winning"**
